

FROM THE EXECUTIVE DIRECTOR & CEO

I'm delighted to share this report with you, which offers a snapshot of the wide range of activities at the Coolidge from January 2022 through our fiscal year end on October 31, 2023.

Our engaged community of members, donors, local partners, and every person who purchased a ticket helped sustain us and further our mission: *to entertain, inform, and engage—building a vital community through film culture.* With your continuing support we remain committed to unique curated programming and to showcasing emerging voices in film.

The future of the Coolidge is bright, thanks to generous community support. Our long-planned expansion will open in the coming month, with a spacious new lobby, two new beautiful state-of-the-art theaters, and a first-ever dedicated space for education and community engagement programs. Our dream of evolving the Coolidge into a true center for film and media is coming to fruition.

I am honored to represent the Coolidge community—patrons, members, donors, admirers, staff, and board. I cannot thank you enough for your support.

Sincerely,
Katherine Tallman
