LETTER FROM THE EXECUTIVE DIRECTOR & CEO

Dear Coolidge Friends,

As you'll see in the following pages, the Coolidge had a great 2017!

Our curated first-run film selections garnered a total of Oscar 114 nominations, including eight of the nine nominees for Best Picture, and we were proud to be one of only ten theaters in the country selected to screen *Phantom Thread* in 70mm.

Our special programs covered the gamut in genre, and our partnerships with other nonprofit organizations allowed us to further diversify our audiences, and also take the Coolidge outdoors—at Mount Auburn Cemetery, Rose Kennedy Greenway and Trustees of Reservations properties.

We understand the power of film to not only entertain, but also as a vehicle to prompt dialogue and increase understanding of our complex world. Our pre- and post-film discussions and film education courses further enhanced that power.

Our first Film Trivia Night was a great success, as much fun as competitive, and establishing a new tradition. And, we continued to create and provide a home for

community, serving as a venue for film festivals, local gatherings and celebrations.

Our initiative to expand the Coolidge is moving closer to the public phase of a capital campaign, and we've refined the building design to include a dedicated education and engagement center, in addition to a large lobby and two new theaters. Thanks to a generous Coolidge supporter, we have a newly established Endowment Fund that will support our long-term sustainability.

We want everyone to enjoy the Coolidge. We installed hearing and visual assistive technology in all of our theaters and, through our Access Fund, we opened our doors to hundreds of underserved youth.

Our Coolidge team—patrons, members, donors, admirers, outstanding staff and board—underlies all that we offer and our success. It's an honor to be a part of this extraordinary community, and I'm grateful to all of you.

A handwritten signature in black ink that reads "Katherine Tallman". The signature is fluid and cursive, written in a professional but personal style.
