Big Screen CLASSICS

**GROUND
BREAKING**

In a nod to both the Coolidge's long track record of showcasing innovative, boundary-pushing works of film art as well as the start of construction on our expanded space, the theme of this year's Big Screen Classics series is Groundbreaking Films!

Psycho

Monday, October 3 at 7:00PM | 1h 49m | DCP

Directed by: Alfred Hitchcock

Featuring: Anthony Perkins, Janet Leigh

Alfred Hitchcock's landmark masterpiece of the macabre stars Anthony Perkins as the troubled Norman Bates, whose old dark house and adjoining motel are not the place to spend a quiet evening.

No one knows that better than Marion Crane (Janet Leigh), the ill-fated traveler whose journey ends in the notorious shower scene. First a private detective and then Marion's sister (Vera Miles) search for her as the horror and suspense mount to a terrifying climax.

Three Colors: White

Wednesday, October 5 at 7:00PM | 1h 32m | DCP |

In French with English subtitles

Directed by: Krzysztof Kieślowski

Featuring: Zbigniew Zamachowski, Julie Delpy

The most playful yet gritty of Kieślowski's *Three Colors* films follows the adventures of Karol Karol (Zbigniew Zamachowski), a Polish immigrant living in France.

The hapless hairdresser opts to leave Paris for his native Warsaw when his wife (Julie Delpy) sues him for divorce (her reason: their marriage was never consummated) and then frames him for arson after setting her own salon ablaze. *White*, which goes on to chronicle Karol Karol's elaborate revenge plot, manages to be both a ticklish dark comedy about the economic inequalities of Eastern and Western Europe and a sublime reverie about twisted love.

Big Screen CLASSICS

Pierrot le Fou

Monday, October 10 at 7:00PM | 1h 50m | DCP | In French with English subtitles

Directed by: Jean-Luc Godard

Featuring: Jean-Paul Belmondo, Anna Karina

Dissatisfied in marriage and life, Ferdinand (Jean-Paul Belmondo) takes to the road with the babysitter, his ex-lover Marianne Renoir (Anna Karina), and leaves the bourgeois world behind.

With blissful color imagery by cinematographer Raoul Coutard and Belmondo and Karina at their most animated, *Pierrot le Fou* is one of the high points of the French New Wave.

They Live

Thursday, October 13 at 7:00PM | 1h 34m | 35mm

Directed by: John Carpenter

Featuring: Roddy Piper, Keith David, Meg Foster

They influence our decisions without us knowing it. They numb our senses without us feeling it. They control our lives without us realizing it. They live. We sleep.

Seminar available! At 6:15PM before the film starts, Northeastern University Film Studies Professor Nathan Blake will give an overview of genre film maestro John Carpenter's still-prescient sci-fi satire in a 30-minute Coolidge Education seminar.

Big Screen CLASSICS

Three Colors: Red

Wednesday, October 19 at 7:00PM | 1h 39m | 35mm |
In French with English subtitles
Directed by: Krzysztof Kieślowski
Featuring: Irène Jacob, Jean-Louis Trintignant

Krzysztof Kieślowski closes his *Three Colors* trilogy in grand fashion, with an incandescent meditation on fate and chance, starring Irène Jacob as a sweet-souled yet somber runway model in Geneva whose life dramatically intersects with that of a bitter retired judge, played by Jean-Louis Trintignant.

Night of the Living Dead

Monday, October 24 at 7:00PM | 1h 36m | DCP
Directed by: George A. Romero
Featuring: Duane Jones, Judith O'Dea, Kyra Schon

Shot outside of Pittsburgh at a fraction of the cost of a Hollywood feature, George A. Romero's *Night of the Living Dead* is one of the great stories of independent cinema: a midnight hit turned box-office smash that became one of the most influential films of all time.

Halloween

Monday, October 31 at 7:00PM | 1h 31m | DCP
Directed by: John Carpenter
Featuring: Jamie Lee Curtis, Donald Pleasence, Tony Moran

Fifteen years after murdering his sister on Halloween night 1963, Michael Myers escapes from a mental hospital and returns to the small town of Haddonfield to kill again.

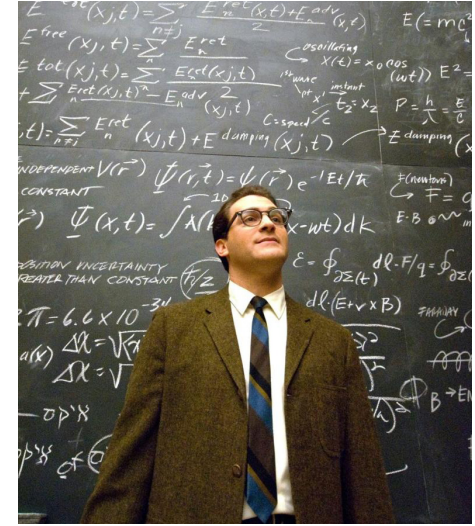

A Serious Man

Monday, October 17 at 7:00PM | 1h 46m | DCP
Directed by: Ethan Coen, Joel Coen
Featuring: Michael Stuhlbarg, Richard Kind, Sari Lennick, Fred Melamed

Before the film, Harvard physicist Dr. Jacob Barandes will discuss physics and epistemology.

A metaphysical dark comedy filled with references to important ideas from physics, *A Serious Man* is a brutally honest portrayal of the human condition. We're born, many things happen to us for reasons that we mostly can't discern, and then we die. We're often frustrated and want answers, but we're not entitled to them. So what should we physically and epistemically limited beings do? Let's have a good talk.

CINEMA JUKEBOX

The Greatest Showman Sing-Along

Thursday, October 20 at 7:00PM | 1h 45m | DCP
Directed by: Michael Gracey
Featuring: Hugh Jackman, Michelle Williams, Zendaya, Zac Efron

A special, sing-along screening featuring subtitles for all of the songs!

Hugh Jackman returns to his musical roots in a biopic that tells the story of American showman P.T. Barnum.

Sacked from a conventional job, Barnum devises a new idea for making a living. Along with a company of extraordinary individuals, Barnum creates a showcase of talent that eventually becomes the traveling Ringling Bros. and Barnum & Bailey Circus.

Jennifer's Body

Thursday, October 27 at 7:00PM | 1h 42m | 35mm

Directed by: Karyn Kusama

Featuring: Megan Fox, Amanda Seyfried, Adam Brody

After the film, join us down the street at Parlour for the Rewind! after party with fun, food, and drinks!

In screenwriter Diablo Cody's feminist horror cult hit, when a gorgeous cheerleader possessed by a demon starts feeding off the boys in a small Minnesota farming town, her "Plain Jane" best friend must kill her and then escape from a correctional facility to go after the Satan-worshipping rock band responsible for the horrible transformation.

After party tickets are limited and available for purchase; you must be 21+ to attend.
